How Happy Pantry helps our community

Practical food support for Baldivis and surrounding communities

Practical help. Good food. Community care.

WHO WE ARE

A community food charity in Baldivis

Happy Pantry was founded in Baldivis in March 2022 by Peter and Nirvana Danzi. We rescue good food that would otherwise go to waste and share it with local people who are doing it tough.

We believe access to nutritious food is a basic human right. Anyone can come to us – no proof of hardship is needed – and everyone is welcomed with respect, a cuppa and a friendly chat.

Happy Pantry is run by Baldivis Community Support Inc., a not-for-profit organisation with DGR status, registered with the Australian Charities and Not-for-profits Commission (ACNC).

WHAT WE DO

Four ways we keep good food moving

Community market

Vegetables, bakery items, bread and fridge items every Wednesday and Thursday, for a small donation.

Food box delivery

A box of fruit, vegetables, bread and a savoury item delivered to your door. The food is free – a $25 delivery donation covers transport.

Street outreach

Weekly food deliveries to people experiencing homelessness who can't easily get to the pantry.

Volunteering

Locals, backpackers and live-in WWOOFers help collect, sort, pack and share food – and build community along the way.

COMMUNITY MARKET

A place to choose, connect and stay for a chat

One of our goals is to make sure the most vulnerable people in Baldivis and the surrounding area can feed themselves and their families each week – while enjoying a nice day out, connecting with our friendly volunteers and catching up with others in the community.

OUR APPROACH

Dignity is part of the help

Food support should feel safe, respectful and practical. A friendly face can matter as much as a box of food.

Choice

People are trusted to choose what suits their household.

Respect

Everyone is welcomed without judgement.

Consistency

Regular support helps people plan their week.

Community

A cuppa, a chat and a place to ask for help.

PEOPLE POWER

Volunteers make it all happen

Behind every market day and delivery is a team of people doing practical work with care – local volunteers, backpackers and live-in WWOOFers.

What volunteers do

- Collect donated food and sort produce
- Pack boxes and set up the market
- Serve customers and make a cuppa
- Help with street outreach and events
- Care for animals and help around the property
